## About Us

Disha Engineering, a private sector construction company with its head office located in Bengaluru , specializes in pioneering medium and large-scale civil constructions and developing new age construction technologies. Working closely with renowned and award winning firms of architects such as M/S Gayathri and Namith Associates Pvt Ltd, Bengaluru, M/S Mistry Architects., Bengaluru and M/S SJK Architects, Mumbai. We under take all types of turn-key projects ranging from residential bungalows to industries, commercial complexes and apartments. We are also specialized in restructuring heritage buildings by adding the life. For over a decade, our strong customer friendly approach and constant quest for top-class quality has enabled us to attain and sustain leadership at all levels. We have both completed and on-going construction projects at Bengaluru, Mysore, Chennai and Hyderabad.
