## About Us

Dixon is the largest Indian Electronics Manufacturing Services (EMS) provider in India focused on consumer electronics, home appliances and lighting electronics products. Established two decades ago, the Company has demonstrated rapid growth and is recognised for low cost manufacturing capabilities, proven design expertise and established high quality customer base.

Dixon is one of the few Indian EMS player with full scale capabilities in product design, global procurement, turnkey manufacturing, repairs and maintenance; strong back-end supported by ERP system. Dixon's ISO certified facilities are globally competitive in terms of cost of production and significant backward integration strength in MAGNETICS, POWER SUPPLIES, PLASTIC INJECTION MOULDING & SHEET METAL STAMPING making it globally competitive in terms of cost of production.
