About Us

DNA Test Guru is proud to be India's leading DNA testing company providing cost effective DNA paternity test, Legal tests, Immigration tests and Genetic tests.

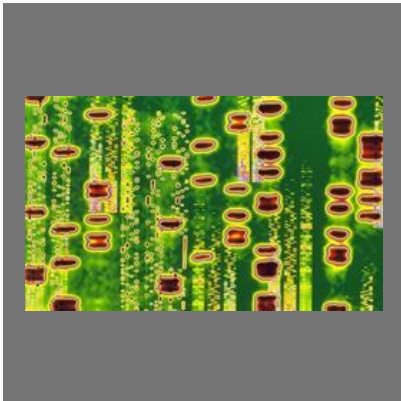

Our clients include a range of reputed hospitals, maternity clinics, IVF centres, surrogacy clinics, nursing homes, delivery clinics, infertility clinics, medical tourism companies and forensic agencies. We could also assist you in issues related to birth certificates, child swapping and paternity disputes. Sample collection can be done by you with the help of our Home DNA sample Collection Kit, or walk-in to one of our Collection Centers where our executives will guide you through the whole process.
