Offering gun man security services, lady security guard services etc.

About Us

Back in 1982 an experienced and dynamic police officer with a few dedicated men with a mission, undertook service contract and consultancy services at Ahmedabad, under the banner of DOCSUNS SECURITY SERVICES. Over the years DOCSUNS security services has accomplished much more than what is set out to achieve and also planned & provided employment opportunities to personnel who have security services experiences from the armed forces, police forces and also from the civilian lines. DOCSUNS has trained and matured number of high calibre security officers, supervisors both men and women and even dogs to detect the theft & other hazardous materials which are used by the modern terrorist outfits. The above action by DOCSUNS has enlarged the horizon of a development that it had initiated years ago. To day DOCSUNS remains as one of the leading security services and consultants in the state of Gujarat. DOCSUNS has provided timely action & solutions to its clients at all the times. It is the philosophy that has made DOCSUNS a vital contractor to the changing needs of valued clients and to the communities to which it belongs during the last quarter century. DOCSUNS realises and recognises various needs of its clients and therefore it is since providing almost tailor made services to various clients. The Company has since given a virtual face lift to its mission in enabling to provide quick and acceptable solutions in future. DOCSUNS enjoys its strength in over whelming acceptance and...
