About Us

Dolphin Electromagnetic Technologies Pvt. Ltd., is a 20 years old, ISO 9001, certified company, dealing in the state-of-the-art RFID Systems, Hotel Security Solutions, EMI/EMC and Automation Products from world leaders in their fields. Our services include consultancy, designing, importing, supplying/installing the best and most dependable equipment from world leaders and supporting the systems through their life cycle with original spares and excellent after sales service.

Dolphin designs RFID and security-systems and provides engineering, installation and integration products and services, as well as unique Internet-based solutions which enables users to manage their systems locally and from multiple remote sites. The business, which has associates located throughout India, provides its solutions to organizations in Hospitality, Health Services, Defence, Infrastructure and Pharmaceuticals markets, as well as to Airports, Seaports, Corporate and Retail Centers, and a range of other institutional, commercial and industrial facilities.

The President & CEO of the Company, Commodore S K Sawhney IN (Retd), is a post graduate Electronic Engineer, a super specialist in the field of Electro Magnetics, a certified RFID engineer and an inventor with a major patent in his name. He is a senior member of IEEE, USA, and a Fellow of the Institute of Engineers, India.

The company has built a team of dedicated professionals who strive to offer total...
