About Us

We are Doorform Industries, a pioneer in providing high performance doors across INDIA and an emerging door brand in Chennai, we adopt cutting-edge German technology to design, build and supply doors for industrial, commercial and residential applications.

Established in the year 2019 by a professional team with over 10 years of strong industrial experience in the door field, started with a key focus to provide befitting products and services while maintaining high level of ethical standards by ensuring our products are designed and delivered in accordance with the customer requirements.

Our team has earlier worked in acoustic projects with Maruthi Suzuki, FIAT, Tata Motors and Powertrain companies and other MNC companies inc Shell, Saint Gobain, Ford etc. Having strong exposure in industrial doors ranging from Rolling Shutter to Acoustic Doors, we have built our presence over the years across diverse markets to become a leading trusted brand in Chennai.

Since it's inception, the company made "CUSTOMER SATISFACTION" it's priority, and continues to provide quality products and services to it's customers.
