## About Us

Doosan Infracore India (DIID) is a subsidiary company of Doosan Infracore, which in turn is a part of the Doosan Group. The Doosan, headquartered at Seoul, Korea has over 118 years of history and is one of the oldest fastest growing companies in the Infrastructure Industry. Ranked world No.1 position in Skid steer Loaders, Attachments, Portable Air Compressors and in Desalination plants, Doosan has a global presence in 38 Countries with over 43,000 employees. Doosan Infracore expands its presence into new Infrastructure Support Business areas, thus envisions being one of the global top 200 companies by 2020, executing people-centered management, the source of global competitiveness, and setting a global standard of business process. The two primary business verticals of DIID is the Bobcat & Portable Power business in India. In Skid Loaders Doosan Bobcat has remained the market leader in India with more the 70% overall market share. Tough, versatile, agile Bobcat Skid Steer Loaders with its time-tested reliability has rightly earned the nickname "One Tough Animal." From the development of the first skid-steer loader to recent introductions of compact track loaders, compact excavators, attachments, utility vehicles, telescopic tool carriers and compact tractors, Doosan Bobcat has the vision to remain the world's number one in offering solution based reliable compact machinery. Doosan Bobcat India offers its customers a wide range to choose from in both...
