About Us

Founded in 2001, our company is acknowledged as the leading Manufacturer and Supplier of different types of ice creams and many other products. We offer varieties of Sugar Substitutes, Pulses Sprouts, Mango Products, Amla Products, Chickoo Ice Cream, Sapota Products etc. That is better in taste and quality. Moreover, we have introduced these products to our health conscious customers. Moreover, our entire range of products is prepared adhering to Total Quality Management (TQM), to ensure proper quality and assurance. Further, our team of packaging experts makes sure that the range is packed in hygienic packed material that can retain the quality of our range for a longer time period.

Our processed products meet international standard specifications and are free from harmful bacteria. An experienced technocrat and supported by a team of highly experienced professionals, the company has achieved an irreversible reputation in the market on the strength of the quality and reliability of their products as well as their hard work and dedication. Our range consists of unique and innovative equipments which are not yet made by leaders of the industry and that is too less than half of the price. Also, the transparent business dealings with customers have helped us in gaining a vast clientele across the globe.
