## About Us

Double Good Organics Private Limited is also called 'Double Good' and also 'Double Good Organics'. The company was established in the year 2014 by two brothers, the managing director is Mr. Bhaskar C. We are mainly into organic food grains, legumes, pulses, and herbs from the Himalayas, natural millets, millet seeds, we also are the suppliers of Basmati from the plain lands of India. We sell both in India and also export to foreign countries. We have a vast network of nearly 4,000 Himalayan farmers, hundreds of natural, and certified organic farms. Double Good is synonymous with quality organic products from the Himalayas, we have a stringent quality maintenance team to meet international standards. Our income is always shared with a *Gaushala*. We are organic at heart, hence the name Double Good Organics.
