About Us

We would like to introduce ourselves as '**DPS Educational Society**' – a team of fully qualified professionals in the field of IT education & recruitments. With professional experience that dates back to 2000, the team comprises with a bunch of professionals, activities are focused in education, training & resourcing services with particular emphasis on adding value to the concept of 'flexible resourcing'.

We are confident that all of the training we deliver is at a fantastic standard and are constantly striving to improve and become even better. We believe that training should be well planned, well prepared, fit for purpose and delivered by trainers who are motivational and inspirational. So each > > More.
