## About Us

You are not healthy without good oral health. Your mouth is a window into the health of the body. Many dental problems are hidden and when left untreated can contribute to serious health problems. Good oral hygiene, combined with routine professional care is the best way to prevent most dental problems. When you visit Upadhyay's Dental clinic, your healthy smile is our top priority. We pride ourselves on providing you with the highest level of quality dental care and doing so in a gentle and caring environment using state-of-the-art equipment and techniques. You will experience all that modern dentistry has to offer to meet your needs. Dental treatment has been revolutionized in recent times in terms of patient comfort (painless), less operational time, minimum sittings with special emphasis on highest standards of asepsis to eliminate cross infections. Our commitment to you includes providing you with the information you need and a comprehensive treatment plan to make decisions regarding your individual oral health care needs.
