Year of establishment is 2007. Started as a sales and service provider for Godrej & Boyce Mfg. co. (prima Division) for their copier solution.

## About Us

Year of establishment is 2007. Started as a sales and service provider for Godrej & Boyce Mfg. co. (prima Division) for their copier solution. Thru Constant Endeavour we are emerging as one of the leading name in the market. We undertake various govt. semi govt. and corporate project which includes complete interior solution, board room solution, office automation & Security Solution. We continuously diversifying and accept new challenges. We are also entering into the household segments design modular kitchen for everyone. Modular kitchen design starts from 60K.

We have constructed a state-of-the-art infrastructure facility, which aids us in performing all business activities smoothly. To manufacture and offer optimum grade handles and hardware accessories, we have installed latest machines and advance technology at our premises. We regularly service our machines to ensure their smooth functioning. Further, to ensure the systematic execution of all business processes, we have segregated our premises into various into various divisions. These units are manufacturing, designing, quality controlling, administrative, warehousing & packaging and logistic. All these sections hold their specific responsibilities that are handled by our efficient team of professionals. We have appointed our professionals via strict selection process, where all these are selected on the basis of their knowledge, skills and capacities. Our professionals are well-versed with the...
