## About Us

Our tagline, '**Energy Unlimited**' sums up the '**Dukes**' ethos and our DNA. At the heart of what we set out to do, we were focussed on one aspect, to always be a source of ***Sweet Delight*** for all our regulars and patrons. We have driven, taken our company to greater heights and channelized our boundless energies to create something that is satisfying, universally accepted, appealing and attractive all neatly packaged and delivered and comes under the universal banner of **FOOD**. Just as our tagline, '**Energy Unlimited**' our quest has also been boundless and cashing in on the infinite we forge ahead... The copious, ceaseless 'Dukes' journey came into being over two decades ago. Under the banner Ravi Foods Pvt. Ltd, we have carved a niche for ourselves in our segment, processed foods. Our diversified range of products is well-known both within and outside the country. With over 12 plants in two locations in India, we are growing at a pace that feels like a pat on our back.
