Dynamic Structural Engineering Services (DSES) is an Indian consulting firm aiming at delivering high quality Structural Steel Design and Detailing Solutions for our esteemed clients across the globe.

About Us

Dynamic Structural Engineering Services (DSES) is an Indian consulting firm aiming at delivering high quality Structural Steel Design and Detailing Solutions for our esteemed clients across the globe. It is based in New Delhi and since its inception in the year of early 2006, our dedicated and excellent team achieved gigantic milestones by successfully deploying the projects to various valuable clients. We showed the excellence and promptness by providing the highest quality of works and thus satisfying the clients. Customer Satisfaction, Quality-work, Value of Word, and Commitment to achieve are the wheels of the DSES team.

We have executed structural detailing work for various prestigious projects such as Power Plants, Cement Plants, Steel Plants, Institutional, Commercial and Residential Buildings. We use the most sophisticated 2D & 3D modeling and detailing softwares to create fabrication drawings. We offer 2D / 3D Steel Detailing, Joist Detailing and Quantity Estimation services to our clients. We believe in integrity and so DSES is a unique group of 24 determined professionals who are specialized in AutoCAD & X-Steel detailing services to the Fabricators, Structural Engineering and Joist Manufacturing.

There are more to write here about our team and works. But we, DSES, believe in work rather than words. Hence, we want you to include us to be a witness of grand success in your ambitious projects with...
