

East Coast Biotech Project

<https://www.indiamart.com/eastcoast-biotechproject/>

We are adjudged as the most reliable **manufacturer** and **supplier** of **Agriculture Biofertilizer, Industrial Chemical & Crystal Alum.**

About Us

East Coast Biotech Project commenced the manufacturing of efficient fertilizers such as **Agriculture Biofertilizer, Industrial Chemical, Solid Alum, Dry Magnesium Sulphate, Aluminium Ingots, etc.** in the year **2002** with the major objective of serving the agrarian economy of our country and benefiting them in every possible way. Our government owned corporation, instituted itself in Bhubaneswar with the assistance of 10 extremely diligent and experienced professionals.

The fertilizers we supply the markets, prove extremely efficient in modifying soil fertility and enhancing nutrient supply in the crops. Our wide assortments of Azadirachtin have the efficiency of resisting plant hoppers, fruit borers, and leafhoppers from damaging the crops. The comprehensive range comprises of Nitrogen including Azotobacter, Rhizobium and many more that can fix atmospheric nitrogen in the soil and increase the yielding percentages.

We adhere to the most stringent policies in order to manufacture products that promise long-term productivity of the soil. Our products are capable of making the insoluble inorganic phosphate, soluble in nature and produce growth promoting substances that increase the total yielding percentage. With the assistance of adept professionals and highly experienced formulators, we have gained many years of experience in formulating the most efficient pesticides and fertilizers for our customers.

Zinc Chloride Powder

Aluminium Sulphate Powder

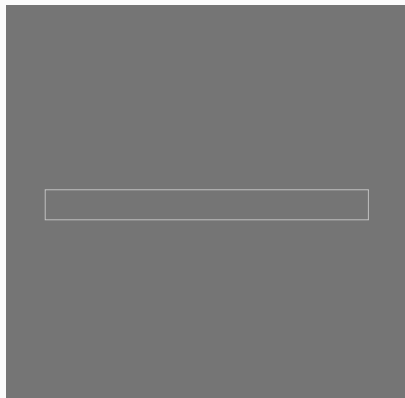

Zinc Sulphate Heptahydrate

Ferrous Sulphate Powder

AGRICULTURE BIOFERTILIZER

Azotobacter Liquid Bio Fertilizer

Bio Azospirillum Biofertilizer

Trichoderma Viride Bio Fertilizer

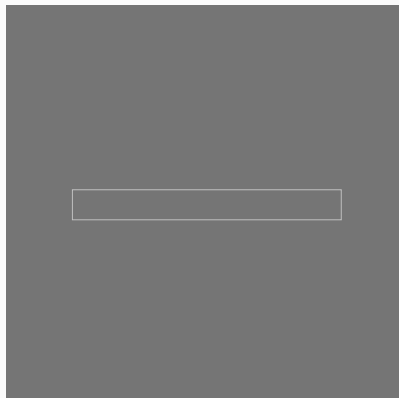

Bio Fertilizer Rhizobium

OTHER PRODUCTS:

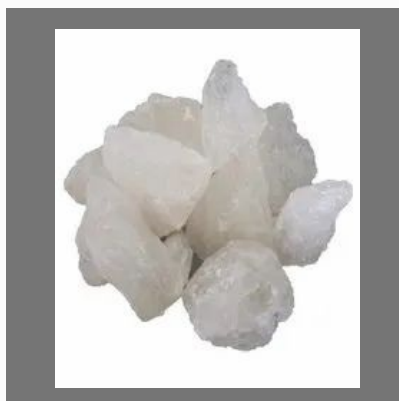

Zinc Sulphate Monohydrate

Potash Mobilizing Bacteria

Non Ferric Alum

Crystal Ferric Alum

OTHER PRODUCTS:

Agricultural Waste
Decomposer

Zinc Dross Scrap

Copper Sulphate Powder

Aluminium Alloy Ingots

Factsheet

Year of Establishment : 2002

Nature of Business : Exporter and Manufacturer

Total Number of Employees : Upto 10 People
