FAVO will cater to the growing international taste for Pasta, as the average Indian calibrates his food related purchase choices with his disposable income, busy lifestyle, convenience, ready availability, brand awareness and service quality.

About Us

FAVO will cater to the growing international taste for Pasta, as the average Indian calibrates his food related purchase choices with his disposable income, busy lifestyle, convenience, ready availability, brand awareness and service quality.

With our commitment to Excel, we at FAVO, guarantee the 100% quality and nutrient value of our products, which is ensured by our state of the art technology and processes, brought to you from Italy, together with our quality control team, who work 24 X 7 to deliver the Product you want to consume. The plant is PLC controlled and fully automated, requiring no human intervention, till it is packed.

With ambitious plans to expand and penetrate various competitive markets in India & internationally, FAVO is looking at a sound distributor model to realize its grand vision.
