About Us

East West Tanners was established with an expertise in design and development of world class equestrian accessories which are both ethnic and trend setting. The primary objective of the company was to cater to Export Oriented Units in India. With rapid increase in demand, constant up gradation became an ongoing process.

Quality and workmanship play a vital role in our manufacturing process and has won us the acclaim of some of the leading buyers in the European & American markets. Strict vigil is maintained right from the selection of raw material to the final despatch of the finished product. Highest standards are maintained throughout so as to ensure that only the best rolls out of the production line.

In process quality is earmarked by regular calibration of manufacturing and inspection procedures as well as procurement & maintenance of the finest plant and machinery suitable for this purpose.

In an everlasting zeal to quench our thirst for excellence, we look forward to extending our services to the world wide market and look forward to the valuable patronage of people seeking quality articles.
