We are a leading supplier of high quality German microbrewery equipment and undertake turnket projects for the microbrewery installation.

About Us

Incorporated in the year 2015, EasyBrew is considered amongst the eminent suppliers of Microbrewery equipments in India: We have a range of 10/20/50 ltr Braumeisters for pilot brewing and 200/500/1000 ltr Braumeisters in the commercial range. These single vessel systems are accompanied by high quality TUV certified Stainless Steel Fermentation Tanks, Bright Beer Tanks, and other accessories.

All our equipments and accessories are directly imported from Speidel's facilities in Germany. We do not assemble the units in India. With help of these high quality range of equipments we undertake Microbrewery set up projects on a turn-key basis.
