## About Us

The Eco Group Started in 1998 in the spiritual land of Ganges in Varanasi. Later in 2012. The ECO Group installed One Million Tons Per Annual State-of-art, cement manufacturing unit at Bhabua. Bihar. In order to Integrate further with the Indian Construction industry, the group has came up with a fully integrated Steel Plant with capacity of 2 Lac Ton Per Annum. This plant comprises of Sponge Iron, Billets TMT and 120 MW Power Plant at Chunar, U.P. Also to in the way to expand The ECO Group has already set its foot into FMCG Sector and have come up with an Edible Oil Refinery along with a Solvent Extraction plant. ABOUT ECO TURNKEY SOLUTION PVT. LTD. With a mission to expand into the new horizon The ECO GROUP started A PRE\_ENGINEERING BUILDING MANUFACTURING UNIT. as having the ambition of "MAKE IN INDIA" campaign. Seeing the convenience and importance of facilitating readymade units for the upcoming companies and for the local manufacturers and even for the startup. The ECO Group Decided to Create a "Turnkey" projects model that would help them come and start at once. ECO TURNKEY SOLUTION PVT LTD is a manufacturing and turnkey work done company focused on work for Industry infrastructure i.e. Pre-Engineered Building, industrial Sheds. Prefabricated Shed and Warehouse. We are proud to have delivered challenging solutions successfully in the industry, with the help of our good and strong management of Quality and production Team. We are having our...
