About Us

Established in the year of **1997**, we **Ecosense Labs India Private Limited** are the leading, **Manufacturer** of an extensive array of, **Chemical Powder, Agricultural Products, Clay Powder, Floor Cleaners, Waste Decomposer**, etc. We direct all our activities to cater the expectations of customers by providing them excellent quality products as per their gratifications. Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers. With the support of a team of industries professionals, we are able to go to the very roots of agricultural and environmental Bio- technology and offer immaculate products to our clients. These experts conduct stringent checking of the entire range to ensure that only eco- friendly and immaculate products leave the premises. They have enabled us to develop biological alternatives for crop protection and enhancement that include bio-fungicides, bio-insecticides, bio- fertilizers and natural/ herbal insect repellents. Moreover, they have used their dexterity in developing advanced solutions for managing both solid waste as well as liquid effluent streams.

Under the able guidance of our mentors, '**Mr. Kishor S. Mehta**' (**chairman**) and '**Mr. Ketan K. Mehta**' (**director**), we have carved a niche for ourselves. 'Mr. Kishor Mehta' has been the trailblazer of Indian crop...
