EIE Instruments Private Limited

<https://www.indiamart.com/eieinstruments/>

We are one of the leading Manufacturer of a wide range of Bitumen Testing Equipment, General Laboratory Equipment, Petroleum Oil Testing Equipment, Grease And Wax Testing Equipment, Concrete Testing Equipment, etc.

About Us

Eie Instruments Pvt. Ltd. is a part of **Tech-Mech group**, established in **2004**. The Group has interest in **Manufacturing** Calibration of Scientific Instruments and Testing Equipments such as **Bitumen Testing Equipment, General Laboratory Equipment, Petroleum Oil Testing Equipment, Grease And Wax Testing Equipment, Concrete Testing Equipment, Tiles Ceramic Laboratory Equipment, General Laboratory Instrument, Pharmaceuticals And Microbiology Testing Equipment, etc..** Professional marketing set up, strong commitment to after sales support, over 30 years experience in understanding and meeting our customer's requirements and sustained emphasis on customer satisfaction, has build a loyal base of customers in different segments of industry, Research and Education field through across the country.

We started modestly as a marketing organization and later entered the ever-challenging field of manufacturing. The rich, hard-earned experience as a marketing organization and close interaction with the end users, paved the way for a customer driven, customer focused and customer oriented company. Our product range includes laboratory oven, laboratory incubator, humidity oven, hot air oven, laboratory heating ovens, b.o.d. incubator, orbital shaking incubator, testing apparatus, constant temperature water bath, ultra cryostat circulator, rotary flask shaker, flask shakers, kinematic viscosity bath etc.
