“Elderado Research” is an independent research company that provides pragmatic and forward-thinking advice to global leaders in business and technology.

## About Us

Established in the year 2010, at Noida, Uttar Pradesh, India, we “ **Elderado Research** ” provide **Content Analysis, Moderation, Transcriptions** and **DCO Services**. With an aim to deliver services that cater to the specific needs of the clients so that they can break the language barrier, we introduce ourselves as a budding Market Research & Data Collection organization. Our highest quality standards and best performance have enabled us to achieve numerous satisfied clients from private sector, advertising agencies and government departments across the globe. Some of our major clients include renowned names like **Synovate, Nielsen, Kadence** and **Ipsos**. Apart from this, we also render **Transcription, Secondary Research, DCO Services & Content Analysis Services**. The resources offered by us, help our customers in opening new markets by adapting various marketing material as well as manuals to audience who can not speaking English and thus have made us a global competitor. Under the efficient guidance of our mentor, **Mr. Bhuwan Pathak**, who has many years of experience in this domain, we have been able to serve successfully our clients with best services. Further, he always motivates our team members which further inspires them to give their best output.
