Electro Device is involved as a **Manufacturer** of a huge compilation of **Electric Panel, Junction Box and Power Distribution Board.**

About Us

Established in year **2018**, **Electro Device** is involved as a **Manufacturer** of a huge compilation of **Electric Panel, Junction Box and Power Distribution Board**. Manufactured making use of supreme in class material and progressive tools and technology; these are in conformism with the guidelines defined by the market. Along with this, these are tested on a set of norms prior final delivery of the order.

Since our inception, we are working beneath the supervision of our skilled mentor **Mr. Rajesh Das**.
