About Us

We “Eledea” are well-known **Wholesaler, Trader, Exporter and Supplier** of premium quality range of **Earthing And Lightning Products, Electrical Cable, Ferrous Metal Product, Non Ferrous Metal Product**, etc. In order to provide the best class products to our prestigious customers, we are linked with the most authentic and certified vendors of the market. Since our inception in the year 2014, we are one of India's leading companies, involved in providing world-class metal, earthing equipments, electrical and mining products. Our veteran and deft procuring agents chose our vendors on the grounds of their market understanding, quality measure, financial condition, client-focused approach, delivery of the products, etc.

The products provide by us are sourced from the well known and genuine vendors of the market. Offered products are highly acknowledged in the market owing to their premium quality, reliability, simple usage and durability. To meet the different choices of the clients, we provide these products in several specifications. We also assure our valued clients that these products are properly checked on numerous parameters in order to provide flawless range to the clients. We provide these products in safe packaging material in order to ensure their safe delivery. In addition to this, we have gained a huge client base across the nation owing to our ethical business policies, good logistic facility, reasonable...
