Elite waterless car wash is all about enhancing the visual appeal of a car. Our services make your car beautiful, hygienic and protected - outside to inside, bonnet to boot. The hallmark of our services is eco-friendliness - great amount.

## About Us

Elite waterless car wash is all about enhancing the visual appeal of a car. Our services make your car beautiful, hygienic and protected - outside to inside, bonnet to boot. The hallmark of our services is eco-friendliness - great amount of water is saved with every usage, saving the precious water beds of the city. Through our services, we aim to educate consumers that it is possible to enjoy a clean car without using harsh chemicals and to save enormous amounts of clean water at the same time. We are committed to clean cars and a non-contaminated environment.
