Elixir Extracts is a widely acclaimed company engaged in manufacturing and exporting of spices and herbal based products. We are also one of the foremost manufacturers of medicinal herb extracts. Our company is renowned for its quality products.
About Us

Since its establishment, Elixir Extracts has become a name to reckon with for its supreme quality herbal products. Our extensive range includes Essential Oils, Natural Oleoresins, Agro Products, Micro Encapsulated Oleoresins, Natural Flavours and Natural Extracts.

Our endeavors to solve various health problems through our products, has compelled us to use nothing but the best of Indian herbs and spices for our products. We make sure that each herb that is picked, is scientifically cleaned and processed to utilize its medicinal properties.

The company’s wide industrial experience and in-depth knowledge and understanding of herbal extracting processes has helped it to tap a vast clientèle across the globe by catering to their specific needs. It is our client centric approach that ensures a satisfied client base. We are backed by an efficient pool of pharmaceutical scientist, botanist, food technologist and other experts in addition to a world class infrastructure for faster production.
