<https://www.indiamart.com/elixircropsolutions/>

Elixir Crop Solutions Pvt Ltd is one of the leading companies in India which is involved in Manufacturing and Trading of Govt. of India Certified **Organic Plant Protection and Plant Nutrition** products.

About Us

Elixir Crop Solutions Pvt Ltd is one of the leading companies in India which is involved in Manufacturing and Trading of Govt. of India Certified **Organic Plant Protection and Plant Nutrition** products.

Our range is highly appreciated by clients for its premium quality. All the products are easily absorbed in plant systems whether they are applied in soil or are foliar applied. Various plant and animal waste extracts are being used to manufacture our products which involve a wide range of checks and trials at various stages.
