About Us

Elysium Properties is a leading residential and commercial property developer in Coimbatore. The firm was established to develop contemporary structures that are both, aesthetically pleasing and combines utility with technology. With a focus on South India, our goal is to build unique multifamily residential structures that deliver a sense of distinctive modern living and office/commercial spaces that are of highest international standards. By anticipating future needs and demands, we are one of the leading property developers in Coimbatore to build iconic structures that complement future innovations and energy efficiency.

We aim to showcase the future of Indian architecture in our real estate projects and remain at the forefront of design and quality, adhering to international standards. The firm comprises of industry professionals with development experience in India, the United States, Canada, Europe, Eastern Europe, Russia and Southeast Asia. We work with architects and real estate consultants from premier services firms to ensure quality as well as professional integrity.

At Elysium we ensure that tremendous care be taken to deliver good quality homes. The pinnacle of design standards is reached by sourcing only the highest quality material and design finishes. We combine superior interior design with practical state-of-the-art style, offering maximum space and comfort. Everyday, we strive to make an individual's dream of owning a quality...
