About Us

Established in 2011, we, **Embuer Health Pvt. Ltd.**, are a renowned Manufacturer and Supplier of Multi Use Wipe and Napkins. Some of our offered products are Multi Use Wipe, Roti Wrapper and Multi Use Hanky. We were set up with a vision to make the latest hygiene technology accessible and available to the world. We have introduced a wide range of wipes based on non-woven technology. Novel fabric materials are used for the manufacture of these wipes in order to make the human life healthy and hygienic. Our products are extremely useful in the provision of hygiene to people who are pressed for time. Our products come in handy for the maintenance of optimum hygiene standards for people without compromising on the quality aspect. These wipes are used for versatile cleaning purposes and are highly demanded in homes as well as commercial establishments such as hotels, restaurants, hospitals and many other industries. Manufactured using innovative non-woven fabric materials and user-friendly technology, these wipes are easy to use, cost-efficient, hygienic and durable. Besides being convenient to use, these wipes are also known for their excellent absorbing power, lint-resistance, super-soft, washable and odor-proof. The wipes offered by us are used in automobile companies, car workshops, hotels, hospitals and many other industries. We offer these products in our own trademark Embuer.

Our modern infrastructure facility is equipped with the latest technology...
