About Us

To support the "Make in India Campaign" and to make finest quality of flat glass available in India for Indian Manufacturing Industries, Emerge Glass has established its manufacturing unit in India. Now International quality of Flat Glass is available right here in India and that too as quickly as you want. Now you don't have to place the order in bulk and wait for a month for the shipment to be delivered from abroad. These are some factors which explain why you should choose Emerge Glass:

Instant Delivery Now there is no need to go for time consuming and tedious process of import from China which takes lots of time and investment. Emerge Glass can deliver even smaller orders instantly saving your valuable time, money & other relevant resource.

Customized Sizes & Packing Emerge Glass offers exceptional service with immediate availability and delivery with customized attractive standard packing in 300Kg, 500Kg and 900Kg. Emerge Glass also takes orders of customized sizes as per your requirement and save you from bulk import.

Multiple Products Emerge Glass manufacturer Multiple glass products like; Clear Flat Glass, Mirrors and Frosted Glass.

After Sales Support Emerge Glass offers an exceptional after sales support from Support Team which works hard 24x7 to provide excellent support services.
