About Us

Emmanuel Digital Store is a leading provider of technology solutions for business, government and education. We have dedicated account managers trained and focused to help our customers choose the right technology products and services to meet their respective needs. We offer expertise in designing customized solutions, while our advanced technology engineers assist customers with the implementation and long-term management of those solutions. Areas of focus include: notebooks, desktops, printers, servers, storage, unified communications, security, wireless, networking, power and cooling, software licensing, and mobility solutions. Have you ever had a computer down because you needed that one hard-to-find replacement part? If you have ever spent time online or on the phone desperately seeking one elusive computer part, you know just how time consuming and frustrating it can be. Emmanuel Digital Store account managers are experts in supplying hard-to-find, constrained, discontinued, obsolete & legacy computer hardware to our valued customers.
