About Us

EnergyGreen incorporated in 2011 having CRISIL rating, ISO 9001:2008, OHSAS, ROHS, CE Certified company, emerging Energy Infrastructure & Solution Provider engaged in many activities i.e., Products Manufacturing, Project Design, Project Installation & Commissioning, Project Management, Energy Auditing & Energy Consulting.

Company has expanded far beyond its initial focus in Madhya Pradesh, now providing its integrated expertise of Rural Electrification and Energy Conservation Projects to Governments Agencies, Multilateral Development Agencies, Multinational Companies, NGOs, Corporates and Private Individuals throughout country.

We focus on solutions that are sustainable – Technically, Economically, Socially and Environmentally.

Based in Bhopal (Madhya Pradesh, the heart of India), we, Energy Green are a prominent firm, providing go green Solar & LED Products. As a manufacturer and supplier, we are walking on the clouds of success by offering LED Street Lights, LED Flood Lights, LED Bulbs, Solar Power Plants, Solar Street Lights, Solar Lanterns, etc. Employing cutting edge technology, these are engineered by our skilled workers in tandem with the national norms. Our LED Lights are bright in illumination, power efficient and longer in life due to which these stay in heavy demand. Further, our customer friendly approaches and stable financial position have made us stand ahead of the counterparts.
