About Us

Established in year 1995, Engineering Craft Industries is involved in manufacturing a huge compilation of Transformer Radiators, Power Transformer Tank and more. Manufactured making use of supreme in class material and progressive tools and technology; these are in conformism with the guidelines defined by the market. Along with this, these are tested on a set of norms prior final delivery of the order.

Since our inception, we are working beneath the supervision of our skilled mentor Muzaffar Sidiqqui (Business Partner).
