# Ensave Energy Private Limited

<https://www.indiamart.com/ensave-corporation/>

We are leading Distributor, Manufacturer and Supplier of all kinds of Industrial Capacitor and Digital Panel Meters.

## About Us

Established in the year **2002**, our company **EnSave Corporation** has been able to carve a niche position under the guidance of our mentor **Mr. Chintan Shah**. It is due to his experience and belief that has enabled us to excel and think ahead of time and mark an achievable benchmark in the industry.

We are engaged in trading wide range of properly engineered capacitors and digital panel meters. Our product range includes gas filled capacitor, LT power capacitors, HT power capacitors, furnace capacitors, digital panel meters (DPM-01), digital panel meters (DPM-02) and digital panel meters (DPM-03).

Our range of products is manufactured by reliable and trusted companies using superior quality raw material. It is due to our dedicated team that we have become the authorized trader of **Schneider Electric India Pvt. Ltd.**
