About Us

Established in the year **2019** we “**Entergy Electricals.**” This well-known establishment acts as a one-stop destination servicing customers both local and from other parts of Delhi. Our products range includes **Flexible Cable, High Tension Cable, Ethernet Cable, Armoured Cables, GI Perforated Cable Trays, Arial Bunch Cable** and many more.

They are known to make use of the best quality components, coupled with the latest technology. Over the course of its journey, this business has established a firm foothold in it's industry. The belief that customer satisfaction is as important as their products and services, have helped this establishment garner a vast base of customers, which continues to grow by the day. This business employs individuals that are dedicated towards their respective roles and put in a lot of effort to achieve the common vision and larger goals of the company. We have already working for many brands and in the near future, this business aims to expand its line of products and services and cater to a larger client base. We have an advanced infrastructural base that is equipped with all the essential amenities. Thus, we aim to understand the diverse needs of our clients and offer suitable range of products. Being a client-centric firm, our main is to accomplish the customers' needs very competently.

Under the guidance of our mentor “**Mr.Diwakar.** ” we have become the...
