Environ Project & Consultancy Private Limited

<https://www.indiamart.com/environ-ahmedabad/>

We are a leading Manufacturer and Service Provider of qualitative Water Treatment Plants. We also provide Wastewater Recycling Services, Quality Auditing Services, and Annual Maintenance Contract Services, etc.

About Us

We “**Environ**”, are notable and prominent firm that is instrumental in manufacturing and service providing premium quality Wastewater Treatment Plants, Water Treatment Chemicals, and Multi Effect Evaporation Plant. The chemicals provided by us are formulated as per the industry set norms from well tested chemical compounds as per the quality standards. The offered chemicals are highly acknowledged for their balanced composition, purity, reliable usage, long shelf life and precise pH value. To attain maximum satisfaction of our clients, we provide these chemicals in various packaging options at economical prices. Offered chemicals are meticulously tested on various quality parameters in order to provide flawless range to the clients. In addition to this, we also provide Wastewater Recycling Services, Quality Auditing Services, and Annual Maintenance Contract Services, etc. These services are imparted as per the different requirements of the clients by our veteran team members.

Since our establishment in the year **2010**, at **Ahmedabad (Gujarat, India)**, we are supported by robust and ultramodern infrastructural base that assist us in the formulation of qualitative chemicals as per the global set norms. We have further categorized this unit into different sub-units that include R & D, admin, sales, processing, procurement, quality testing, transportation, logistic, packaging, etc.

All these divisions are outfitted...
