About Us

Equi Corp Associates (ECA) is a multispecialty law firm based in New Delhi, India started in 2012 for providing affordable access to legal counsel benefiting start-ups, small and growing businesses, social business enterprises, impact investors and non-profit organizations. ECA boutique service offerings are primarily at the intersection of start-up, sustainable development, social enterprise and investment sectors, designed to help clients wade through laws that were not originally designed with them in mind. The basic idea behind starting ECA is to be a part of India's growth by reaching out to novel start-ups and established businesses, and helps them adapt best global practices/technologies in local conditions and in advising them about legal aspects involved in modern markets in order to keep our clients in pace with the dynamic competitive environment. ECA is instrumental in advising various social enterprises and start ups in setting up business in India. ECA not only have some of the best legal minds, but the best business minds too: lawyers are intimately familiar with the business environment, and know the emerging risks and opportunities of their industries and practice groups. ECA clients - from individuals to small businesses to Fortune 500 companies -- turn to us for trusted legal counsel. They advise and assist NRI's/PIO's, Foreign Investors and Indian entrepreneurs with legal services that enables them to compete with best in world in...
