About Us

Equirus (pronounced ek-wi-rus) was coined to convey our commitment to financial markets and stands for the idea 'Equities are us'. Equirus Capital, a full service investment banks backed by prominent investors, was founded in July 2007 by a passionate group of seasoned professionals with the intent of providing best-in-class investment banking & related advisory services for Indian Corporates. Over the last 5 years, Equirus has built impeccable credentials and market standing across domains & has created a niche for itself in its ability to structure and deliver transactions in-line with client requirements. Over 73 successful transactions across capital raising, M&A and repeat business with marquee clients stands testimony to our capabilities
