Need help with College Application Essays? We, at Essay Box, guide you to write the essays that will get you into your dream college! Essay Box will make you the preferred applicant through essays that are creative, innovative and out of the box.

About Us

Essay Box reaches out to aspiring students wanting to study abroad, and need to complete their application essays.

The Essay Box team is young, creative and motivated, and wants to ease the essay-writing process for you. We've written tonnes of applications for colleges all over the world so we know how it feels when you are tensed about getting accepted into a good university.

According to the admission officers even good essays are often unstructured, unclear and disconnected from the question asked. We strongly believe that a well written essay can give you a significant edge over the rest of the applicants with similar academic credentials and help you stand out.

*Do you know how important your Essays are? According to most universities, they're worth 25-30% of your complete application!!

At Essay Box we will:-

•Offer you unlimited and undivided attention
•Brainstorm ideas with you- to understand what you really feel
•Help you choose the most suitable topic, and develop a logical approach to writing the essay
•Ensure that when you write the essay, it reflects your unique personality and experiences
•Make sure the essays are innovative, personalised and tailored to fit each college's requisites
•Edit and structure your essays, correct grammatical errors and ensure conceptual clarity
•Connect you with current and past...
