<https://www.indiamart.com/esskay-beauty-resources/>

Manufacturer of beauty equipments, skin beauty care equipments and beauty slimming equipments.

About Us

Esskay Beauty Resources, since the year 2002, offers total solution in the field of Hair, Beauty and Wellness that makes your business dreams come true. As the pioneer in Beauty Industry in India, the group has its own showroom and office in New Delhi. The company also has its own state-of-the-art Academy which provides highly effective training and education about the new services that can be implemented by our customers in their ventures using the products we offer. We have a wide distribution network covering the most reputed salons, spa's and wellness clinics across the entire country. The uniqueness of our company is that we travel the globe to get the best for you. We constantly educate and create awareness of new products in the market by holding regular seminar's and training event across the entire country. Furthermore, we have a portfolio of selective products sourced from across the world after conducting thorough research that can completely transform your business to the next level.
