Ethnic Kraft, established in 1992, is a company involved in the manufacture and export of very exclusive hand-carved teakwood furniture.

About Us

"**Ethnic Kraft**", started its operations in the year **1992** as a fine manufacturer of a highly appreciated and asked for the range of Home & Decorative Furniture. This range comprising of Carved Wooden Sofa Set, Carved Teakwood Swings, Carved Teakwood Center Table and Carved Teakwood Dining Chair. Owing to the high-quality raw materials and modern equipment used in its manufacture our products have a sturdy construction, superior lifespan and are light in weight. In addition, the offered range is marked at a very reasonable rate, in order to provide clients utmost satisfaction.

The highly developed state-of-the-art infrastructure we have established enables us to function efficiently. The facility is laced with the necessary machines and instruments of sophisticated nature and helps us in increasing our productivity and standardizing our quality. For the purpose of achieving better management and operations, our regularly upgraded infrastructure is divided into several highly functional units. The units are lead by some of our professionals, who have been hired on the basis of their skills and experience. The units function in a highly synchronized and united manner to generate better and improved techniques to attain several of the organization's goals. In addition, our high ethical standards have attracted a huge number of customers.

Under the governance of our mentor **Mr. Rajan Sodhi (Proprietor)**, we have experienced...
