About Us

Euro India Logistics Movers and Packers is a fully insured and licensed moving company proudly serving Pune. Our professional moving teams will exceed all your expectations and provide you with the most professional moving services with peace of mind at the best prices. All our services come at a very affordable price that both suits your budget as well as your needs. As one of the premier Residential & Office Packers and Movers in Pune, we help alleviate moving worries and take extra care of your property. With over 10 years of moving experience, our professional local moving staff and company guarantee to provide you quality local and long-distance moving service at the lowest prices in Pune and surrounding areas whether you need residential or office movers. We have the latest moving equipment, professional, experienced, and polite moving crew, clean moving trucks, and 24/7 customer care. We leave no stone unturned to make your move stress-free and enjoyable.

At **Euro India Logistics Movers and Packers** promise to move you promptly, reliably, and affordably with expert and friendly services customized to your needs. We have undertaken numerous residential and moving jobs and have a 97% retention rate. In fact, a large number of our customers are returning customers and from their referrals. Through efficient moving services, prompt communication, and excellent customer care, we strive to develop lifelong relationships and become the best Packers and...
