

Evapoler Eco Cooling Solutions

<https://www.indiamart.com/evapolerecocoolingsolutions/>

We are the reckoned **Manufacturer** of an extensive array of Portable Air Cooler, Duct Air Cooler, Industrial Air Cooler, Central Air Cooling System, and much more. These offered products are admired for fine functioning and long life.

About Us

Incorporated in the year **2014**, we **Evapoler Eco Cooling Solutions**, are prominent **Wholesalers Traders** of an exceptional quality assortment of Air Cooling System. Offered products range consists of **Portable Air Cooler, Duct Air Cooler, Industrial Air Cooler, Central Air Cooling System, Tent Cooler and Two Stage Evaporative Cooling Systems**. To design these air cooling systems, our vendors use high-quality material under the guidance of experts. Apart from this, these products are appreciated due to the user-friendly, strong construction, high performance, lightweight, and optimum quality.

Backed by our professionals, we have carved niche in the industry by offering a wide assortment of products. Also, we can fulfill the bulk orders of the products as we are strongly supported by our vendors. We assure our customers that all the provided air cooling system will be free from any kind of flaws because these are checked through quality assurance tests before final delivery to the customer.

Under the competent headship of our mentor, **Mr. Hiteshwer Thakur**, we are continuously progressing in the industry. His knowledge and experience help us in efficiently meeting the requirements of clients.
