## About Us

**At Eveready**, we have had an eventful and rewarding journey for the last 100 years and more. We have become an integral part in the daily lives of millions of Indians. We have emerged as one of India's most preferred brands. We have retained and strengthened our timeless appeal, touching lives and bringing hope to millions. As the undisputed market leader in the batteries segment, commanding over 50% of India's market share, and holding 75% of India's organised flashlights market, Eveready has always reinforced its brand reach, with competencies that equal the best in the world.
