

EverGreen Technologies

<https://www.indiamart.com/evergreentechnologies/>

Our company is known for manufacturing, supplying and trading a wide range of Metal Spare Part, Machine Fixture, Boring Bar, Friction Free Oil, Metal Insert and many more. Also, we provide Repairing Service to our customers.

About Us

Established its journey in the year **2010** at **Coimbatore, Tamil Nadu in India**, **Ever Green Technologies**, a **partnership** business venture is involved in manufacturing, supplying and trading an exclusive range of Industrial Carbide Tools, Lubricants and Carbide Tools. Under the efficient guidance, and support of our mentors, we have scaled new heights of growth and success. In depth expertise, leadership and managerial effectiveness have assisted our company to transform our existing range and gain a competitive edge over our counter parts. Our product range includes **Carbide Insert, Boring Bar, Lubricant Oil, Drill Bit, Chain Cleaner, Cutting Tool, Fixturing System, Parting Tool, Milling Cutter, Angle Milling Cutter, U Drill Bit, Tool Holder, Automobile Grease, Cutting Blade, Synthetic Oil, Machinery Fixture** to the respected clientele. We provide this service as per the details and specifications provided by customers. Our range is widely acknowledged by customers for its dimensional accuracy, durability, reliability, trouble free operations, corrosion resistance, precise dimension, sturdy construction, low maintenance and unmatched quality. Entire range of our products is manufactured by using high grade material that we sourced from reliable and certified market vendors. They develop the range by using premium quality material and utilizing inputs from modernized machines and tools. Besides, our products are offered in varied...
