Eviza Biotech Private Limited

<https://www.indiamart.com/evizabiotech/>

We are the leading Manufacturer and Supplier of Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Injections, Pharmaceutical Syrups, Pharmaceutical Cream, etc. These are appreciated for optimum quality and longer shelf life.

About Us

Founded in the year **2014**, at **Chandigarh, India**, we “**Eviza Biotech Pvt. Ltd.**,” betrothed in **Manufacturing Supplying and Trader** of a broad range of **Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Injections, Pharmaceutical Syrups, Pharmaceutical Cream, etc.** The medicines offered by us are accurately processed by our experienced pharmacist using supreme ingredients and latest methodology. Our offered products are widely appreciated in the market for accurate composition, longer shelf life, precise pH value and excellent quality. We also make available these products in different packaging options in order to cater the varied needs of our precious clients. Our esteemed clients can avail these medical products from us at industry leading prices. Our sophisticated infrastructure is constructed over a large area. This highly advanced infrastructure also assists us to manufacture the offered products in bulk to meet various requirements of the market within a promised time frame. We have further segregated our infrastructure into various functional sub-departments like procurement, production, quality control, warehousing & packaging and sales & marketing for carrying out smooth production process. These segmented departments are handled by our qualified professionals who ensure smooth and hassle-free business operation. We also maintain a level of transparency in all our dealings, which help...
