

Excalibur India Private Limited

<https://www.indiamart.com/excaliburindia/>

We are one of the trusted manufacturers and exporters of a unique collection of light weight value for money jewelry articles both plain and studded in gold/silver sheet metal (9K, 14K, 18K).

About Us

Excalibur India Pvt. Ltd. formerly known as "Juliet Jewellery India Pvt. Ltd." was established on 15 Sep 1997 at Gurgaon, Harayana, India. Company was set up in view of government endeavour to promote Indian Jewellery and established 25% market share in global market. This was the first company in Asia to produce light weight value for money Jewellery for exports made from forming sheet metals in precious gold and silver.

Company under the leadership of **Mr. Devinder S. Chauhan** have grown many folds since inception with the vision to provide ***high quality light weight Jewellery articles globally in contemporary designs and high finish.***

The company envisages to produce a wide range of hand assembled, hand finished jewellery with large volume buyers and joint collaboration with its main buyers. The company will continue to strive to design and produce goods in value for money range and aggressively market in developed countries, where India does not have its presence.
