About Us

Excel Computer Education was established in 1995 undertaking by Excel Infolab Pvt.Ltd in Agra engaged in providing to offer a true learning environment to a seeker in Information Technology regarded to All Computer Programs, be it for acquisition of knowledge or for development of skills or for a suitable career.

Our Institute is run by professional teachers & not by businessmen. We have so far provided computer education to thousands of students which has helped them in their career. We prepare our students in such a way so that they can face the interview board with confidence and can be selected in the first go.

We provide education not only for students but also training for professionals in Private and Government Sectors such as CSD Depot Agra, Cantonment Board Agra, Railway Station Agra, Radio Station Agra, COD Agra, Airport Agra and some Degree College such as B D Jain Girl's Degree College.....

We are authorized by MSME New Delhi and conducting Many Computer Free Programs generated By Central Government.
