Manufacturer of fresh bocconcini, fresh mascarpone etc.

About Us

We manufacture specialty fresh cheeses from Italy, which we sell under our main brand IMPERO , to provide the most authentic cheese experience in India, from the chewy soft texture of IMPERO Fresh Mozzarella to the creamy full-flavored IMPERO Mascarpone. All of them are realized following the traditional Italian process under the supervision of our cheese master Michele Paventa (currently holding the record for the longest mozzarella in the world, 65.5m)
