**Why Exponent** Our talented team can design, deploy and support technology solutions that provide powerful business applications and transform how you connect, communicate and collaborate in Delhi / NCR.

## About Us

Incorporated in the year 1994, at Indian national capital New Delhi, we **Exponent Telecom Solutions**, are a renowned name engaged in offering **Telecom and Networking Solutions** to our customers. Formerly known by the name of **Able Telecom**, we are engaged in manufacturing and supplying varied models of **Basic Phones, Wireless Systems, Ethernet & Wireless Systems, Monaural Headsets, IP Phones, Laser Fax Systems, Caller Id, Cordless Fax, GSM Coin Phone, Voice Mail Systems, Epabx System, IP Epabx System, Avaya Epabx, NEC Epabx, Accord Epabx, Alcatel Epabx, Epabx Dealers, CCTV Camera, Surveillance System, Video Conference Systems, Polycom Video Conference System, Sony Video Conference System** and other devices in Delhi / NCR. All these systems are equipped with many revolutionary features and are acclaimed in the market for their optimum functionality and reliable service life. Banking on the rich technical know-how of our professionals, we also provide excellent after sales support of these devices. We take **turnkey projects** for the **installation** of our offered range as well as provide **repairing** and **maintenance services** of these systems. Our ability to execute the task within shortest possible time frame also provide us an edge in the market. We are well supported by an outstanding facility and a well trained team of professionals to carry forward our business objectives in an efficient...
